Subject : Offer to extend support by "SWEET HOME" orphanage, Delhi by adopting children who have lost their families in the tragedy of 'Uttarakashi'

Respected Sir,

The recent spate of flash floods in Uttarakhand has seen unfathomable damage to life and property. Entire towns, villages and panchayats have been destroyed and immeasurable destruction has been witnessed over the past weeks. While material loss can be recovered over time and be made good, the loss of life cannot be reversed. Reports, both official and unofficial, have placed deaths amongst hundreds across the state, with many families being wiped out completely and people young and old both losing their near and dear ones.

In this time of great human tragedy our hearts go out to all the victims of the catastrophe whose loss of loved ones can never be reversed and the pain can only be subsided, and never wiped off. At this moment, when we as citizens of the country need to stand united and provide a caring gesture to the unfortunate ones, I as the founder of 'Sweet Home' Orphanage, a home for underprivileged children would like to extend our hand as a gesture towards the young victims of the tragedy.

Regd. under - J.J Act 2006, Woman & Child Development Dept. NCT Govt. of Delhi

'Sweet Home' which is an orphanage registered under the Juvenile Justice Act 2000, under Government of Delhi, acts as a benevolent gesture towards these underprivileged children. Established in 1997 in Tura Mandi, Najafgarh, New Delhi; the Orphanage today takes care of over 45 underprivileged children under its wings where female children under the age of 18, and male children under the age of 7 are enshrined. Children who are homeless, and are lost or orphaned are taken care in here and their future is safeguarded to help them lead a happy and content life again.

At this point, I would like to extend my hand of support and request you to kindly consider us for adopting some of the unfortunate children of the catastrophe wherein we would like to take over the entire responsibility of these children and help secure their future. At this difficult time, I accept my responsibility as a concerned citizen and thus would like to adopt these children of God as my responsibility and strive to brighten their future, as it would have been if not for the calamity.

Kindly allow us to the best of our efforts for contributing towards this great cause.

Thanking You,

Yours faithfully,

(Avinash Jain)

President
